

# PENNIES

# FOR HOPE

# - & - Change

Of primary importance to the MOER Foundation, Inc., is ensuring that we, as a global community, can learn to live with, by and for each other.

The mission of the MOER Foundation, Inc. is to identify and create economic opportunities, education and social support to individuals and families for the enrichment of the global community.

The principal motivation of the MOER Foundation, Inc., is to ensure that our global community's safety and security are a result of respect, cooperation, and an enhanced acceptance that we are one Family.

## School Supply Donation Program

The MOER Foundation is uniting the community in a campaign to supply underprivileged children and classrooms with school supplies needed to carry out their education and promote academic excellence.
